

The National Wood Flooring Association Education & Research Foundation Wood Studies Scholarship is designed to promote the post-secondary study of forestry and related forestry sciences. Trees are a natural resource providing the raw materials that support the livelihood of those employed in the forestry industry, including members of the NWFA. This nonrenewable scholarship in the amount of \$1,000 will be awarded to a current college student enrolled full-time in a forestry, environmental science, or natural resources program in an effort to advance and improve forestry practices for generations to come. All applicants will be notified by May 1, 2026.

Eligibility Requirements:

1. Current college student.
2. GPA of 3.0 or higher.
3. Enrolled full-time in a forestry, environmental science, or natural resources program.
4. Application and all materials postmarked by April 1, 2026.

Submit:

1. Completed application.
2. Current college transcript.
3. One letter of recommendation from a teacher (sealed in an envelope with signature on flap).
4. Proof of full time enrollment as a forestry, environmental science, or natural resources major.
5. Resume including extracurricular activities, awards, leadership, community service, and work experience.
6. Essay (500-750 words, 12 pt type, double-spaced) on the following topic:
"How does the study of forestry benefit the wood flooring industry?"

Failure to meet any of the criteria outlined, or to submit all materials requested, will disqualify your entry. Follow directions carefully.

Mail:

1. All materials should be mailed together.
2. Materials must be postmarked by April 1, 2026. No applications postmarked after April 1, 2026 will be considered.
